

New Spring Grove Factory to Employ 1,400

New Search Is Started For Prange

Twenty-five or more men experienced in searching for lost individuals in the high mountain country of western Montana were scheduled to begin a hunt for a Lake Villa man this week Wednesday.

Object of the search in the Crystal lake area about 75 miles north of Missoula, Mont., is Lawrence Eugene Prange, 20, a Montana university student missing for nearly a year.

His mother, Mrs. Marian Prange and her daughter, Sharon, of the Loon Lake district, left Monday morning for Missoula.

They planned to be there during the latest in a series of searches that have been made since the young man left Sept. 10, 1958 after telling friends he expected to be gone for a few days.

He and his dog Queen went out in the remote east side of the rugged Mission range to look for mountain goats.

SEARCH STARTED

When he didn't return, search was instituted and ten days later his dog was found wild and unfriendly. No trace of the young man was found last fall and cold weather and fog called off efforts then.

The latest search was expected to last a week unless Prange is located earlier.

Charles Schmiedeknecht, head of the Missoula county sheriff's search and rescue association and sheriff William J. Walker had decided on August being a good time to resume the hunt.

They said that by this time most of the snow would be gone and the weather would still be warm in the higher reaches.

Some of the country near Crystal lake where the base camp was to be set up is over 7,000 feet high. Sharp cliffs surround deep, frigid lakes.

The rescue group said earlier it would launch its greatest effort since its organization in its search for Prange. Radios, trucks, boats, pack strings and other equipment was got together.

About \$500 was being set aside to buy gasoline, oil, hay, grain and groceries.

"We realize that searching for Prange is like looking for a needle in a haystack," Schmiedeknecht said, "but we can't leave it there."

"Nothing has been heard of this boy and we have received three letters in the past few weeks from his mother back in Illinois."

Center of the search is a high rocky area where the dog has led searchers several times. "We think there is something up there and mean to give it a good look," he continued.

Money Taken At T-E Firm

A small cash box was broken into at the Thom-Eric Construction company in Antioch over last weekend and \$14 plus some checks and a small pocket lighter were missing.

The person or persons apparently went in and left by a rear door, deputy sheriffs Herman Larsen and William Wood reported. The check books were on the Union Grove and the Fox Lake banks.

Deputy sheriff Wood is continuing the investigation.

The sheriff's office also reported a case of vandalism at the Dog 'N Suds drive-in a mile west of Antioch.

A window was broken and the siding on one side of the building was broken. Nothing apparently was taken from the structure, deputy sheriffs reported.

Beer Found in Car

Four teen-age boys living in Antioch and vicinity were picked up by Antioch police Sunday with beer in the car in which they were riding, police chief Walter Scott reported. No charges were filed against them, he said.

Seek Elderly Missing Man

James Webb of Antioch Area Left July 31

An 85-year-old man, father of Robert Webb of the Antioch area, is the object of a widespread search in the eastern part of the United States.

James Webb was believed to have left Chicago by bus from an intown depot July 31 for what was expected to be a routine trip to Florida.

Seek Countryside Hospital Directors

NURSES HELPED OUT at this blood pressure measuring booth conducted during the Lake Villa firemen's fair last weekend. Women representing the Antioch, Lake Villa, Avon and Grant townships to be served by the proposed Countryside hospital served in the booth. The nurses were trained by Dr. Calvin Midgley of Antioch. Shown are eight of the 10 women who helped at the booth. From left to right were Judy McMichael, Long Lake; Karin Nordling, Lake Villa; Sandy McMichael, Long Lake; Jo-Ann Wilson, Lake Villa; Norma Brown, Antioch; Amy Albert, Sharon Langbein and Nancy Cribb, all of Lake Villa. Unable to be present for the picture taking were Ellen Fletcher, Ingleside, and Jacqueline Helwig, Fox Lake. Those having blood pressure readings donated \$1 or more to the Countryside hospital fund. Mrs. Eleanor Schroeder of Antioch and Mrs. Gustav Eckert of Lake Villa made the aprons for the women.

Antioch High Doors Open Sept. 9

It's "back to school" on Wednesday, Sept. 9, for students at Antioch high school.

Enrollment at the high school is estimated to have reached 725 pupils. They will report to the school building September 9 to pay fees

and receive daily schedules, principal Albert Dittman said this week.

Dittman has announced that students will report in the girls' gymnasium in accordance with the following time schedule:

Freshmen—9 to 11:30 a.m. Dur-

ing this period, freshman students will receive their dental examinations.

Sophomores—1 to 2 p.m.
Juniors—2 to 2:45 p.m.
Seniors—2:45 to 3:30 p.m.

The rental system eliminates the purchase of books and reduces the cost to the parents by about one-third, Dittman said. Most students will pay approximately \$15 in fees.

The fee cost will vary, depending on the number of subjects carried by the pupil, and courses taken.

Students who have not yet registered are being urged to do so as soon as possible during the day, or in the evening of Thursday, Aug. 20 from 7 to 9 o'clock.

Testing of new pupils and the eighth grade graduates who missed the earlier tests, will take place from 9 a. m. to noon on August 25 and 26.

Antioch high school officials have announced that all freshmen pupils attending school, this fall will be required to have a complete physical examination prior to Sept. 4.

Parents of freshman students have been notified by mail about details of the state law which requires that students have health examinations upon entering high school, Dittman said.

As in the past, the high school has arranged for these examinations.

Due to the very heavy schedules of the physicians residing in the Antioch area, the doctors have been making these examinations at their individual offices since August 7 and will continue to do so until Sept. 4.

Memorial Mass Sat. For Anton J. Graham

A memorial mass will be said in St. Peter's Catholic church at Antioch at 7 o'clock Monday evening for Lt. Anton J. Graham, who was killed in action 15 years ago in the battle for Brest, France, while leading company I, 9th infantry, 2nd division.

Lt. Graham was the son of Mr. and Mrs. Richey V. Graham of 1341 Park Ave., River Forest, and of Channel Lake. He was a grandson of the late Anton J. Cermak, mayor of Chicago.

Play Day, Concert Scheduled Sunday

The Playday and Band Concert, previously scheduled for last Sunday, will be held this Sunday, August 23. A schedule for the afternoon's events appears elsewhere in this week's Antioch News.

Mayor Sees Good Effect For Antioch

More than 1400 people will eventually be employed at a new factory which is now in the process of construction at Spring Grove.

This announcement was made yesterday by Paul Weber, mayor of Spring Grove, following a meeting held at the home of C. Bayard Sheldon August 18.

Sheldon, an executive of Harris Trust and Savings Bank of Chicago was host to Ansel Kinney, president of International Register Company also of Chicago whose company is erecting the new plant which is located at the western edge of the village of Spring Grove, on U. S. Highway 12.

The first unit of the factory is to be a modern manufacturing plant 512 feet long by 200 feet wide of steel, brick, and stone construction housing the production of electronic products including time clocks, meters, heating elements, automatic switches and allied lines.

Two More Planned

It is planned to follow the first unit with two more of like size until the factory reaches its contemplated size eventually employing about 1400.

The personnel will consist of both skilled and unskilled labor, female employees being in the majority.

The contract for the erection of the factory has been let to a native Spring Grove man, Arnold N. May, president of the A.N. May Construction Co. of Richmond.

"There is no question that this new factory at Spring Grove will help Antioch," Mayor Merrill Cunningham of Antioch commented Wednesday.

"People living here and in this vicinity undoubtedly will be employed there at least eventually, when the payroll reaches 1,400 or so. And then, too, many will come to Antioch to shop."

May also owns the 125 acre tract south and directly across the highway from the factory on which he plans to erect a shopping center and also build many homes in the adjacent subdivision.

Also present at the meeting were 12 of the executives of the International Register Co., members of the village board of Spring Grove and Burton Township supervisor Gordon Sergeant.

Mayor Sees Progress

Mayor Weber stated that this would aid Spring Grove greatly in its development and add to its list of two small factories now engaged in manufacture—the DeGroth Mfg. Co., makers of screw machinery and the Miller Mfg. Co., also engaged in the same line of production.

In 1950, Spring Grove had a population of 259 and probably is now about 300, according to the mayor.

They have a very well planned zoning program and are looking ahead to meeting conditions that seem to be coming rather rapidly.

This new factory, said the mayor, is the result of many months planning and would have been much further along had it not been for the severe weather experienced last winter.

They had originally planned to be in operation by fall of this year but due to weather set-backs will probably open about March 1, 1960.

It is expected that the new plant's starting personnel will number about 350.

Rescue Squad Promotes 2; Lists Calls

Several changes in officers of the Antioch Rescue Squad were announced at a meeting of the group Monday evening by chief Herman Holbek.

Chuck Larson resigned as captain due to his deputy sheriff duties that made it difficult for him to be on the rescue squad. Everett Otte-dahl was named captain in his place.

Marvin Heath was promoted from a squad man to lieutenant. Both Heath's and Otte-dahl's promotions were on a temporary basis until the rescue squad's election next May.

A committee of squad members is now at work looking into the purchase of a new truck to replace the present vehicle which was bought just after the end of World War II.

Sunday afternoon the rescue squad took three girls to the Antioch clinic for treatment after an accident on route 173.

The same afternoon a man from Ohio who was hurt in a dive at Channel lake was taken to the Antioch clinic for treatment.

Mrs. Anna Kopriva was taken to Victory Memorial hospital at Waukegan Sunday noon.

Nominations From Clubs, People Asked

Three board members for the proposed Countryside hospital will be elected from four townships in northwest Lake county and three more from nearby interested townships will be elected in September.

But right now what is needed are nominations for board members from organizations and individuals who have paid a fee of \$10 or made contributions to the hospital.

Each individual or organizational member is entitled to one vote at any meeting of the group and to send one delegate to the board of directors.

As of now the board of directors consists of one representative each from Antioch, Lake Villa, Grant and Avon townships.

Dr. Calvin Midgley, vice president of the Countryside Hospital association, this week urged nominations be sent in.

Due in September

Exact date of the meeting has not been set but it must be held in September as the organization was started a year ago next month.

About 24 organizations out of an estimated 200 to 300 in northwest Lake county have shown an interest.

(continued on page 7)

37 Airmen Vets Enjoy Reunion Here

Thirty-seven guests enjoyed a buffet supper at the home of Mr. and Mrs. Dan Lightsey south of Antioch last Friday evening as members and widows of members of the 142nd aero squadron of World War I held their 22nd annual reunion.

The reunion came to a close that evening with the supper on the lawn. It had opened on Wednesday of last week.

A banquet which was scheduled for Saturday night, was cancelled because most of the guests had arrived a day early and planned to return home early Saturday morning.

Among those attending were Mr. and Mrs. Earl Baisden of Hawley, Pa.; Mrs. Eva Moyer, Bethlehem, Pa.; W. E. Troup, Millerstown, Pa.; Mr. and Mrs. L. C. Ehlers, Baltimore, Md.

Others were Mr. and Mrs. J. N. Marcinko, Springfield, Ohio; Mr. and Mrs. L. M. Roby, Lima, Ohio; Mr. and Mrs. E. H. Strine, Marion, Ohio; Mrs. Sarah Falconberg, Akron, Ohio.

Also Mr. and Mrs. T. C. Morris, Tusculuma, Ala.; Mr. and Mrs. S. Reeder, Saginaw, Mich.; Mr. and Mrs. Julius Tresch, Lewistown, Mont.; Mr. and Mrs. Floyd Townsend and three sons of Capron, Ill.

Mrs. Nellie Hanke, Gold Star mother, attended as an honored guest, along with her daughter, Mrs. Irma Hostetter. Other guests present were Mr. and Mrs. W. A. Rosing and Mr. and Mrs. H. E. Rosing.

During the evening music was furnished on an electric organ by W. V. Lahti, who played many of the old songs.

Later in the evening all adjourned to the basement recreation room at the Lightsey home where movies were shown of previous reunions from 1933, including the one held last year at Cayucos, Calif.

The next meeting will be held in Hawley, Pa.

Grayslake 4-H Girl Is Emcee at Show

A Grayslake young lady, Miss Tedi Dodge, was one of 12 4-H girls to be mistress of ceremonies at the 4-H "Share the Fun" festival at the Illinois state fair in Springfield.

The 18-year-old member of the 4-H Grayslake Agricultural club was mistress of ceremonies last Saturday. The daughter of Mr. and Mrs. Homer Dodge, will be a senior this fall at Warren township high school at Gurnee.

Miss Dodge took three grand championships in vegetable arranging, horse show and for her Jersey cow in the recent Lake county fair. She also had entries in sewing and poultry classes.

She was to demonstrate how to arrange vegetables for a show at the state fair.

DEAR READER News Editorials

Historically and Geographically About "Antioch's" High School

Historically speaking, it is Antioch Township High School, but Geographically and as a matter of fact, the term is a misnomer and it really is a community high school.

Antioch people feel a deep pride in their high school and the "Fighting Sequoits," and well they should for a number of successful things have been accomplished, a score of records established and a definite sense of belonging securely entrenched in the minds of all citizens of this and a number of communities supporting this modern community high school.

For Community High School, it certainly is, paid for in the tax program by Antioch township, a part of Lake Villa township and approximately five sections of Newport township. Students enrolled last year numbered 675, and of this number 522 were transported daily during the school year by the school bus system. The remainder came from within the 1 1/2 miles walking distance or drove their own cars. Students enrolled according to school records came from: Hickory, Millburn, Lake Villa, Prince of Peace Parochial School at Lake Villa, Allendale, Baptist Orphanage at Lake Villa, Oakland, Grass Lake, Channel Lake, Emmors, and the village of Antioch including students from St. Peter's parochial school.

So, in order to dispell the notion, it is definitely not "Antioch" high school but more of a "Sequoit Community" affair, we might as well do away with this selfish attitude and include all of our neighbors who unselfishly support this great modern school and blend into the united effort to make it so.

Originally when the high school was but 2 rooms in the old sandstone building at Main and Depot Streets, it had but 3 years of high school and the fourth year and graduation was accomplished in some other town, usually Waukegan. In 1915 the first building for high school purposes exclusively was built on the site of the present location and it became a township high school. In 1927 the second addition was made and in 1952 the final annex built which brings it up to present architectural size.

Population growth made it necessary with the passing years to include more territory and it gradually and factually became a community high school. This condition exists today and it is a township high school in name only.

Pride is a wonderful thing when defined as "a sense of one's own dignity or worth." However, Webster goes further in his definitions and says that pride can also mean, "An over high opinion of one's self; exaggerated self-esteem; conceit." Let's be proud of our high school, but not to the point where it excludes others to whom it also belongs.

4 Local Cows
Rate Excellent

Four registered Holsteins owned
by Robert L. Hunter of Antioch
have been classified officially "ex-
cellent," the highest designation at-
tainable in the type classification
program of the Holstein-Friesian
Association of America.

This designation is applied only to
animals scoring 90 or more of the
100 points representing theoretical
perfection in body conformation.

Of nearly 45,000 registered Hol-
steins officially classified for type
last year, only 358 were rated "ex-
cellent."

During a recent classification of
the Hunter herd by R. E. Strickler
of Iowa, Kansas, an official inspector
of the staff of the national Holstein
organization, the following animals
scored "excellent" for the first time:
Wincois Ella Burke 2d 3459669,
cow, scored 92 points, Ravenglen
Olene Triune 3850252, cow, scored 90
points, and Ravenglen Ophelia Tri-
une 4312240, cow, scored 90 points.

DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space
each week. Equal weight is given on this page to your
ideas and the paper's ideas on subject matter. Letters
must be signed with complete names and addresses but
will be withheld upon request. No letter should exceed
300 words.

August 13, 1959
OPEN LETTER TO THE EDITOR:
We, the undersigned, who were
mentioned in an article published in
the Antioch News on Thursday,
August 13, 1959, wish to portray the
facts rather than the unauthorized
imaginary account given to the
READERS of this paper.

We spent the week end of August
8th and 9th at Chain O' Lakes State
Park for the purpose of training in
basic outdoor scout crafts. The
training staff consisted of Scoutmas-
ter Ray Atwood, Assistant Scout-
masters—Tom Atwood, Bill Young,
Ray Van Patten, and two First Class
Scouts, Albert Gruidl and Mike
Roepenack. The men taking the
training were Russell Roepenack,
Jerry Kaleth, Harold Buell, Emery
Trussell, and Donald Bjork.

The program consisted of a typi-
cal Boy Scout overnight campout.
During the evening a game was
played called "Capture the Flag."
The purpose of the game is to teach
Stalking, Observation, and Physical
Development. Shortly after the
game started one of our boys was

stalking and observing the "enemy"
when two women who were walking
down the road with a flash light
spotted the boy concealed behind a
tree. The women were of course
startled and so incidentally was the
boy, when the women turned the
light on him and cried out. . . .
When assured by one of our com-
mitteemen that we were playing a
game and everything was all right,
the women went on down the road.
The event was so small and over so
quickly that only three of the ten
persons playing the game knew of it.
Some of us did not know until we
read the newspaper account and
THEN made it our affair to find out
what took place.

Our purpose in writing this letter
is: we feel the article was not writ-
ten in the best interest of THE BOY
SCOUT MOVEMENT.

(Signed):
Ray Atwood, Scoutmaster
Russell Roepenack, Chairman
Tom Atwood, Asst Scoutmaster
Harold Buell, Committeeman
Jerry Kaleth, Committeeman
Billy Young, Asst. Scoutmaster.

"NOISEMAKERS" of the 142nd aero squadron are shown buzzing through
Winchester, England, on July 4, 1918 during a parade of military units in England
during World War I. Some of the men shown here attended a reunion of the
squadron at the Dan. Lightsey home on First St., Rosings Subdivision, south of
Antioch, last weekend. The Antioch man was a mechanic with the fighting unit.
The vets recalled last weekend making the motor of the truck backfire to help add
noise to the parade shown.

Licenses Suspended

One motorist from Antioch, one
from Lake Villa and two from
Round Lake were among those hav-
ing their drivers' licenses suspended
recently, secretary of state Charles
F. Carpenter announced.

They were Louis C. Stumpf of
Pettie lake, Antioch; Frank J. Hel-
stern, route 1, Hillside, Lake Villa;
Charles McLean, 1208 Juneway,
Round Lake, and William C. Moore,
3001 E. Elder drive, Round Lake.

Mrs. George Ireland
Lives in Minnesota

Mrs. George T. Ireland has estab-
lished her home at 684 Queen Ave.
South, Richfield 44, Minn., a suburb
of Minneapolis, friends here learned
this week.

She is planning to do substitute
teaching and has interests in various
clubs such as the Great Books club,
New Residents club and Professional
Women's association.

Mrs. Ireland said she hopes her
Antioch friends will stop in to see
her when they are in that vicinity.

In Which Channel Lake Reporter Learns About Editing, Lighting

By Pearl Kapell
Channel Lake Correspondent

When I got the job of Channel Lake correspondent from the Antioch News my family called me the "Foreign correspondent."

This seems rather silly to me and I've explained to them that a foreign correspondent is generally one that's sent overseas. My daughter merely said, "Man, its w-a-a-y out."

My son remarked, "Well, everyone will soon be wishing you were overseas." My husband said, "You'll soon be wishing you were overseas." Encouraged by their enthusiasm, I plunged into the job.

Anyway, when I became whatever I am (and do feel free to call me up and give me your opinion on this) I was completely ignorant of everything pertaining to a newspaper or how to write for one.

So the editor gave me a few general rules to follow. Two of them, I have since decided, conflict very badly and make my job extremely difficult.

Interesting People

They are: Find interesting people

and incidents to write about—people who do interesting things, human interest stories.

The second rule was: Don't write about yourself or your family, stay in the background.

Now where am I to find people more interesting to me than us? And how am I to get people to share their little, human-interest stories with me?

Occasionally someone phones to tell me of some civic or social event.

But no one ever calls with some fascinating tid-bit such as "Johnny spilled milk on the dining room floor this morning, slipped in it, grabbed hold of the tablecloth, pulled off on the floor my tablecloth and \$100 china set, fell on the dog, who bit the cat, who leaped into the baby's play pen yowling, and scared the baby who yowled, too."

People figure these are just everyday experiences in which no one would be interested. But I know first-hand all these charming little incidents that go on in my own home.

So to heck with the Editor. Another rule he gave me was

"You write, I'll cut. What I don't like goes in the waste basket."

These Same Rules

The Antioch News has since changed Editors and the new one hasn't had time to give me any instructions, but I presume all Editors have essentially these same rules.

So, Mr. Editor, go ahead and use your wastebasket.

Some time ago, my husband and I staggered home from an evening of bowling at 2 a. m.

(Put your eyebrows back where they belong. We were not drunk. We were exhausted and carrying our bowling balls and we're not 30 years old any more. We're not even 40 years old anymore. We were pooped.)

Finally pajama-ed and ready to seek our lumpy mattress, my husband wandered into the bathroom to turn on the night-light.

He turned it on. He walked away and it blinked out. He tightened the bulb. It came on. He walked away. It went out.

He said something under his breath, fiddled with it a few minutes. It came on. He walked away. It went out. He stood and gazed at it thoughtfully.

I sat on the end of the davenport and gazed at him thoughtfully, hoping he'd abandon the project.

It's Pitch Dark

He said, "Oh, well, we don't need that light now, anyway. It's pitch dark now and we're going to get up early, anyway."

Somehow, this didn't make sense to me, as I had no intention of rising before 9 a. m.

After thinking about it a few minutes, though, I couldn't quite find the flaw in his reasoning so I sagged into the bedroom and flopped. My husband shuffled after me and crawled into bed.

After a few minutes he said, thoughtfully, "What I said didn't make sense."

Mentally I agreed, but was too tired to care, so I said, "Let's figure it out in the morning."

We did. We figured we'd better not stay out that late, or bowl that many games again in one evening.

Truck "Takes Off" Driver Shaken Up In Unusual Move

By Pearl Kapell

The boys down at Chase's garage had another "patient" last week—a truck which was obviously in a state of mental confusion and thought it was a bird—or a high diver.

The truck in question got tired of following the same old beaten path about 400 feet south of Chase's garage.

Striking out for itself, determined to beat a new path through the wilderness, it left the road, made like a bird, slipped completely over on its descent into a gully about 20 feet deep, and came to rest upright in the slough.

The driver had only a few scratches but was considerably shaken by the experience. The truck was in considerably worse shape.

George and Tom had to use the hook, 200 feet of cable and a winch to get the unhappy truck back on the road. The driver decided to finish his trip to Chicago in the battered truck. It was necessary to remove one door before this could be done.

So ended one truck's attempt to "get out of the rut."

1,674 Given Help From State Funds

Statistics on the number of persons in Lake county on aid to dependent children, blind assistance, disability assistance, general assistance and old age assistance rolls were announced this week.

The Illinois public aid commission said that statewide the number of persons receiving assistance in June dropped about 5,500 persons as compared to May of this year.

However, the total of 367,449 was up somewhat from the June 1958 totals of 342,287.

Lake county in June of this year had 594 persons receiving \$19,366 for aid to dependent children; 18 persons, \$1,231 for blind assistance; 33, \$2,116 for disability assistance; 449, \$26,114.14 for general assistance; and 580, \$34,438 for old age assistance, for a total of 1,674.

LV Cub Scouts See Cubs Play In Chicago

By Mrs. Fred Bartlett
Lake Villa Correspondent
EL. 6-5372

Cub Scout Troop 88 of Lake Villa attended the Cubs' baseball game in Chicago Saturday.

Mr. and Mrs. Jake Wallace returned home Monday from a vacation at Lake Nancy, Wis.

Mrs. Joseph Botts was honored at a party in observance of her birthday Thursday evening at the home of Mrs. Fred Bartlett, Sr. The following were present, Mrs. Leo Barnstable, Mrs. Jake Fish, Mrs. Clarence Blumenschein and Mrs. Ann Nelson. Games were played and refreshments served by the hostess.

There will be no Royal Neighbor meeting on Tuesday, August 25, but it will be held a week early on August 18, at the Village hall.

Mrs. Anna Pester of Grayslake, Mrs. Lillian Lee of Skokie, and George Mitchell of St. Petersburg, Fla., were visitors Tuesday at the home of Mr. and Mrs. Henry Reidel and Mr. and Mrs. Sidney Barnstable. August Tanner of Chicago spent

last weekend at the home of Mr. and Mrs. Fred Bartlett, Jr.

Mr. and Mrs. Roscoe Baker of Rockford were visitors Saturday at the home of Mr. and Mrs. Clarence Blumenschein.

Mrs. Fred Bartlett, Sr., spent Thursday visiting her sister, Mrs. Norman Nelson of North Chicago.

Mr. and Mrs. Harold Fillweber and daughter, Judy, of Antioch were visitors Thursday at the home of Everett Galiger.

Joel Armstrong spent last week-end visiting relatives at Chippewa Falls, Wis.

Mrs. Harriet Ballenger fell and broke her arm last week. She is well on the road to recovery.

Mr. and Mrs. James McGrain of Waukegan were visitors Sunday at

the home of Mr. and Mrs. Frank Slazes, Sr.

Mr. and Mrs. Victor Conrad and family and Mrs. Holmquist of Chicago were Lake Villa visitors Sunday.

Mr. and Mrs. Arthur Nelson of Lake Forest were visitors Saturday at the home of Mrs. Ann Nelson.

Ex-Area Resident Dies

Word has been received of the death of Mrs. Mary Czarnecki of Tucson, Ariz., which took place August 4, at the age of 98. She was buried August 6 in Holy Hope cemetery at Tucson.

She was a former Channel Lake resident as are a daughter, Mae Metz, and a granddaughter, Mrs. Vernon Rogers.

Younger People Most Involved In Mishaps Requiring Treatment

Younger people in the McHenry county area—especially those under 13 years of age—are involved in the greatest number of accidents requiring emergency hospital treatment, according to McHenry hospital.

Eighty-six per cent of the patients cared for in McHenry's emergency ward are 45 years of age and under. The largest number of patients (32 per cent) are in the one-to-12 age bracket and teenagers account for 21 per cent of the total patients in their 20's, 13 per cent, and the 30-45 age group, 20 per cent.

Emergency patients from 46 to 60 account for 11 per cent and the over-60 category only three per cent.

Almost 70 per cent of the patients needing quick, expert attention are male. Men predominate in all age category, totals. In the under-13 group, two boys are given treatment for every girl.

Ratio Holds True

This same ratio holds true for teenagers and persons in their 20's.

The ratio of men to women jumps to four-to-one in the 30 to 45 age bracket and a little over two-to-one in the 46 to 60 group.

Emergency patients over 60 years old are about evenly divided between male and female, the men recording a slight edge.

The number of emergencies treated at McHenry hospital is climbing steadily. During the first six months of this year 780 emergency cases were treated—16 per cent increase over the January-through-June period in 1958.

The monthly average for the 1959 period was 107 compared to 90 in the first half of 1958.

An average of almost six emer-

gency patients a day were treated during June of this year.

Half of McHenry hospital's emergency cases are treated for lacerations and contusions.

Other Injuries

The other half are given attention for fractures, amputations, hemorrhages, heart attacks, burns, puncture wounds, dog bites, abrasions, infections and gunshot wounds.

Auto and boat accidents are among the biggest hazards. Other cases result from mishaps involving farm machinery, sharp instruments and tools, and falls.

Almost 90 per cent of the emergency patients treated at McHenry hospital are residents of McHenry county. Most of the remainder live in neighboring counties but many of these are visiting locally at the time of the accident.

2 Area Men Graduate At Northern Illinois

Two from this area were among those receiving degrees from Northern Illinois university at DeKalb at the 60th annual graduation exercises held last Friday.

They were Larry Orin Hostetler of North ave., Antioch, who received a bachelor of science degree, and John Wesley Hammond of Box 96, Lake Villa, who was awarded a master of science degree in education.

Name Mrs. Vos Cancer Society Chief in City

American Cancer society educational chairmen from the various municipalities in Lake county will meet at 10 a. m. Monday, August 24, at the home of the County educational chairman, Mrs. George Haachtman, 138 Lincoln street, Libertyville.

The meeting will be followed by luncheon.

Mrs. Roman Vos has volunteered her services for the next year as educational chairman for Antioch.

Miss Audrey Campbell, director of public education for the State of Illinois division of the American Cancer society, will conduct an educational workshop for county chairmen present.

The 11-minute version of "The Other City" film will be introduced for the purpose of showing to men's groups.

Also, the training film for volunteers, "Never Alone," will be shown. The various other services of the Cancer society, loan closet, dressings and transportation units, will be explained.

Mrs. Haachtman will go over projects proposed for the educational committees for the coming year. She is asking all chairmen to bring an interested person to the meeting.

25 Cent Toll Collected at Route 22 Exit

The Illinois state toll highway commission is now collecting a 25 cent toll for each vehicle entering the Tri-State tollway northbound at Illinois Route 22 (Half-Day road).

The same toll became effective for southbound traffic on the Tri-State tollway which exists at the Illinois Route 22 (Half-Day road) exit.

Charles M. Burgess, chairman of the commission, announced that the new ramp toll collection facilities in no way affect traffic on the Tri-State Tollway.

The new toll will apply only to vehicles entering northbound or leaving the Tollway southbound at this point.

Previously, it was possible to make a trip between Illinois 22 and Grand avenue (Route 132) without payment of toll.

Burgess said that the volume of traffic thus using the Tollway without charge had increased in volume sufficiently to warrant the cost of installing the toll collection facilities.

He said that traffic engineering studies have indicated an annual net revenue yield to the commission of at least \$50,000 by the new toll facility.

Antioch Catholics Plan to Attend Mass In Chicago

Catholics of Antioch have been invited to participate in a mass to be celebrated Monday by Chicago Archbishop Albert G. Meyer in honor of South American athletes in the midwest for the Pan American games.

The mass will be sung at 7:30 p. m. at the band shell in Chicago's Grant park.

Reservations on a bus from Antioch to Grant park and return can be made by calling St. Peter's church rectory at Antioch 274.

Members of the Christian Family Movement group in Antioch are handling arrangements for the bus trip.

Central High Year Opens On Aug. 31

Freshmen attending Central High School in Salem, Wis., will commence the school year on August 31. The upper classmen will report on September 3.

As previously announced registration for all freshmen and transfer students is August 17-28, Monday through Friday. Principal Allen Erickson informs those students they must be accompanied by a parent and register during that period.

This also includes freshman tuition students. The evening registrations will be held on August 18 and 27.

Because of increased costs the board of education raised the rental fee to \$8 per student which defrays the textbook, locker and towel expense.

Noon luncheon tickets will be \$1.75 for five luncheons or forty cents straight. The hot lunch program starts September 2.

Two additional faculty members have been added. Frances Murphy will teach freshman English, and Paul Hagen will be the main room proctor.

The remaining teaching staff includes: Malcolm Alby, science; Ralph Antes, industrial arts and math; William Becker, director of physical education, biology and coach; Enoch Brice, attendance principal, history, geography and coach; Russell Broten, band and general science; John Daily, guidance and math; Eileen Deetz, home economics; Daniel Doone, English and Latin; Joseph Ferraro, English and math; John Fisher, English and Spanish; Leola Getka, librarian and library science.

Other teachers are Dormund Grams, athletic director, biology and coach; Emroy Neyse, math and coach; Vernon Horne, assistant principal and agriculture; Dan Kissel, industrial arts; Stanley Klonowski, business education; Ruth Leefink, girls' physical education and history; Jane Palumbo, vocal music and math.

Robert Pierick, English and reading; Vaughn Sorenson, agriculture and general science; Marion Tierman, business education; Roger Terry, boys' physical education, gen-

Consolidation Of Subdivision Groups Talked

By Jim Jankowiak
Fox Lake Hills Correspondent

The Fox Lake Hills Property Owners' association held its monthly meeting Monday in the Lake Villa grade school auditorium. It was called to order by president Bob Wagner.

Highlight of the meeting was introduction of two representatives of neighboring subdivision associations, namely the Wooster Lake and Long Lake improvement clubs.

These two representatives brought with them a plan calling for the unification of all the property owners' associations in this part of the county on the basis that in numbers there is strength.

Their idea, briefly, was to have each and every association out this way band together and form one large, influential body to make sure the area gets a fair shake from the zoning boards, tax office, and so forth.

Somewhat on the same basis as the residents in this part of the county banded together earlier in the year to fight the tax problem.

The plan set forth by the representatives called for each individual association to send two delegates to the council of associations.

Then, problems that could not be worked out locally would be aired at the "associations' meeting."

Next, they would be voted on, and if passed, all the associations belonging to the consolidation would get behind the one group that was having the trouble.

As yet, the entire plan is in the talking stage, but many people are thinking hard about it and action is expected to begin in the near future.

The Fox Lake Hills association voted to take over as sponsors of the Fox Lake Hills Teen Club. Seven members of the teen-age group were present at the meeting to lend support to their cause.

Association secretary Julie Chonis reports that "thank you" notes have been sent out to all the merchants who donated prizes for last week's picnic.

The Teen club has a new Vice president in the person of Dan Johnson of Unit 1. Frank Reekie, also of Unit 1, has had membership cards printed up for the Teen club. They will be available soon.

Back from a month's vacation on the west coast are Dr. and Mrs. M. N. Wellens and their son, Bruce. While on the coast they stayed at the home of their son, Dr. Warren Wellens of Spokane, Wash., and also at the home of their daughter, Jeannine, who resides with her husband in San Diego, Calif. Bruce states they would have been home much sooner, but it took them six days to find their way off the California freeways.

Foreign sports cars are dotting the subdivision these days. The trend started when John Turnbull bought a classy British M G-A. He was followed closely by Frank J. Reekie, who just purchased a Triumph TR-3.

Grade School Opening Set

Sessions at the Antioch grade school will open Tuesday morning, September 8, the day after Labor day, with registration of students.

Children will be dismissed before noon of that day and afterward members of the faculty and the grade school board will meet informally.

This will be a get acquainted session for new faculty members with the school board and an opportunity for older teachers to renew acquaintances.

Later in the day, the teachers and school administrators will have a meeting among themselves.

Next monthly meeting of the grade school board will be held in the school office at 8 p.m. Tuesday, September 15.

Name Willis Sheen ASC Group Leader

Newly elected community ASC committeemen from Salem township will be among those attending the Kenosha county ASC convention to be held at the courthouse room 104 in Kenosha at 9 a. m. August 27.

Willis Sheen is chairman of the Salem community committee, Elmer Barthel is vice-chairman, Milton J. Patrick, member; Gilbert Halsma, first alternate, and Donald Krahan, second alternate.

Sheen as chairman of the Salem group is delegate from that township.

Purpose of the county convention will be to elect a county committee of three members and two alternate committeemen.

TWO WINNERS in the pie eating contest held at the Lakes theater in Antioch last Saturday are shown as they dug into the panies held by Richard Meyer of the theater staff. The two boys are James Raska of Antioch and Ray Zemon of Lake Catherine. Second place went to Jack McNiff of Antioch and Dan Miller of Leon, Lake. Vikkie Vaupell of Oak Park, a visitor in Antioch, and her partner, David Allen Young of Indian Point, placed third.

Hiking, Camping, Eating Out Enjoyed by Girl Scout Troop

(Editor's Note: The following account of the camp out by girls in Girl Scout troop 31 is being published as it came to the Antioch News office.)

We the girl Scout Troop 31 have just returned from a one week camp-out in Devil's Lake state park, Wisc. Below is a complete summary of our activities on the camp-out.

Mon., Aug. 3 — When we left the scout house the rain was coming down in buckets. On route to the state park we stopped at a service station to eat lunch.

Lucky for us that by the time we reached our camp site it had stopped raining so we were able to set up camp.

Tue., Aug. 4 — Today we climbed, slid and stubbed our toes on the west bluff trail to the south end of Devil's lake. We thought the lake shore trail was easier than the west bluff so we took it coming back to the north end of Devil's lake.

(It wasn't easier). When we got back to camp we had traveled three miles in 4½ hours.

Wed., Aug. 5 — This morning we went horseback riding, which really was a thrill because some of us girls had never been riding before. We then spent the afternoon recuperating from our hike on Tuesday.

"DELLS" IS VISITED
Thurs., Aug. 6 — This morning we left for the "Dells." It was a terrible day for it rained most of the time. We saw the upper and lower Dells by boat. It was very interesting and beautiful!

Fri., Aug. 7 — Tonight we went to see the Stand Rock Indian ceremonial. The dancing was done as it was in the earlier days. The dancing was very inspiring and was done by Indians from many tribes. The costumes were really very colorful!

Sat., Aug. 8 — We took a one hour hike this morning and saw elephant rock and elephant cave. This hike was taken to cover the part of the east bluff trail which was not covered by the nature hike. Late in the afternoon we took the "nature hike," but being an hour late we had to catch up to the naturalist and his party.

On the way back we were all tired. There were 23 in our party so 15 rode the ferry back and the others walked back. It wasn't a hard walk; we walked the railroad.

Sun., Aug. 9 — Today instead of going to church we girls held our own service. (I believe we got a lot out of that). That afternoon we

went swimming in Devil's lake for the last time.

Mon., Aug. 10 — Everyone up bright and early. Today we made ready to come back to Antioch. All gear was packed and tents were taken down.

BUS HELPS GIRLS

Jim Horton came up in his bus to take some of the gear and us girls home. As an added surprise we got to ride the car-ferry across the Wisconsin river. We left the state park at 1:15 p. m. and arrived at the scout house about 6 p. m.

Girl Scout troop 31 would like to thank everyone who had a hand in making this camp-out a huge success. We would especially like to thank Mrs. J. Bruske and Mrs. W. B. Gillum for putting up with us for the past week.

We would like to thank Mrs. Bruske's mother for she is responsible for our comfortable ride home. We would like to thank Mr. Horton.

P. S. This Girl Scout troop held a picnic and swimming party at Lake Geneva from 11:30 a. m. to 6 p. m. Wednesday of this week.

Salads Enjoyed At Local Fete

Well over 200 people attended the salad-bar luncheon held at St. Peter's on August 13. Salads of all kinds were served, ham-rolls, biscuits and practically any kind of cake you can think of.

Tempting fruit bowls were made of watermelons, with the top half carved into the shape of a basket handle and the bottom half scooped out to form a bowl, in which were iced melon balls.

After lunch the ladies played cards. The winners at each table won a prize.

Among those attending from the Channel Lake area were Mrs. Thomas Chase, Lucile Eberman, Mrs. Dorothy Olson, Miss Dorothy Olson, Mrs. William Davern, Mrs. Kate Hynek, Mary DeStefano, Virginia Zeien and Barbara Merrifield.

Garden Club Meet Scheduled Aug. 24

The Antioch Garden club's monthly meeting will be held at 11 a. m. Monday, Aug. 24, at Mrs. Howard Frizzell's home in Wadsworth. Her phone is Antioch 803. Assisting as co-hostess will be Mrs. Jo Dunlap.

Members are urged to bring a sandwich and also choose clothes suitable for a field walk, as the object of this meeting is to gather material for the dry arrangement workshop in early September.

A dessert luncheon has been planned for Thursday at 1 p. m. at the home of Mrs. John C. Wagner in Antioch Hills.

This will be a welcome party to honor new members that have been accepted the past year. It will be a happy occasion for those attending.

Explorer Post 92 Picks New Officers

Explorer scouts of post 92 held an election of officers Tuesday of this week with the following being named:

Bernie Andersen, president; George Badame, vice president; Joe LaFlamme, secretary; Dick Neekamp, treasurer.

The advisers are William Mongan, Art Becker and helping adviser, Dick Neekamp.

Meetings are held in the recreation room of the Bob Taylor residence.

Lake Catherine Visitors

Mrs. Ira Oliver of Lake Catherine entertained her daughter, Mrs. George Hay, and three grandsons from Chicago this past week. Mrs. Oliver and Mrs. Hay and sons were dinner guests of the Russell Homan family Thursday evening.

Lyons-Ryan Legends

"I sure wish we were near Lyons-Ryan Ford right now!"

CHECK PRESENTATION by Mrs. William Brook, president of the Antioch Woman's club, to Joseph Patrovsky, Jr., president of Antioch Lions club, is shown in this photograph. Gross receipts of \$526 were realized by the ladies at a benefit sponsored by the woman's club. Looking on here are Mrs. Morris Pickus (far right), who was co-chairman with Mrs. Brook of the benefit, and Irving Carey (far left), chairman of the Community Service Corp. of the Lions club.

Devotion Group At Millburn Plans Meeting

By Mrs. Frank Edwards
Millburn Correspondent
The devotion study group met last Thursday morning at the home of Mrs. Ruth Drews. The next session is scheduled for Thursday morning, Aug. 27 at the home of Mrs. L. H. Messersmith.

The Rev. and Mrs. L. H. Messersmith and Mr. and Mrs. Sven Osterlund motored to Pilgrim park Saturday. Carol, Linda and Carl Osterlund, Jeanlee Johnson, Jerry Davis, Linda Christenberry and Virginia White returned home with them after spending a week at the summer conference there.

Mrs. James Bonner and children of Kansasville and Mrs. Walter Fontaine and son of Gurnee visited Wednesday at the home of Mrs. Harley Clark.

Regular services will be held at 10 a. m. Sunday, Aug. 23, at the Millburn Congregational church.

Mr. and Mrs. Glen Cain of Waukegan were supper guests of Mr. and Mrs. Charles Lucas Wednesday evening.

Mr. and Mrs. Elmer Hansen and family of Beach were callers at the Frank Hauser home Sunday.

Mr. and Mrs. John Edwards and daughters, Susan and Lynn, of Libertyville were callers at the home of Mrs. Frank Edwards Sunday evening.

Bobby Kending of Winthrop Harbor spent Sunday and Monday at the home of Mr. and Mrs. Herbert Graham.

Mrs. Clifford Jahn and daughter, Patty Lou of Batavia are spending several days at the William Paulsen home.

Mrs. Edward Hoffman and son, George, returned home Friday after a two month visit with relatives in Great Britain.

Mr. and Mrs. Charles Lucas were guests at a birthday party at the Lester Lucas home in Waukegan Friday night.

Mrs. Herbert Messner and daughter, Mrs. George Butler, attended the ballet at Ravinia park Friday evening.

Mr. and Mrs. Vernon Stahnke and daughters of Arlington Heights spent Sunday at the Leslie Bonner home.

Guests of Mr. and Mrs. Herbert Graham on Sunday were Mr. and Mrs. Robert Kending and children of Winthrop Harbor, Mr. and Mrs. Larry Bascomb of Zion, Mr. and

Channel Lake Family Is Host to Relatives

Mr. and Mrs. Howard Henne, of Elmwood Park visited Mrs. Henne's sister and husband, Mr. and Mrs. Henry Homan of Channel Lake, last Wednesday evening.

Accompanying the couple were their daughter and son-in-law, Mr. and Mrs. George Enfield and daughter, Dawn.

Others at the gathering were Mr. and Mrs. Glen Siedschlag and son, Channel Lake, Mr. and Mrs. Russell Homan and children of Tiffany road, and Mrs. Al Pierce of Spring Grove.

Moose Topics

There will be an initiation of new members at the regular lodge meeting Wednesday night, Aug. 26 it was announced by Lester Palmer, ritual chairman.

The Antioch ritual team will perform the ceremony, followed by the monthly birthday dinner. Carl Schiesser is chairman of the birthday dinners.

All Moose members are invited to come down Friday nights to the fish fry, including chicken and shrimp. Time is 6 to 8:30 p. m.

Society Notes

Mr. and Mrs. Floyd Gordon returned to their home at Ottawa Friday after a week's visit with their daughter, Mrs. Donald Gaston, and family.

The Salad-Bar-Luncheon and card party held Thursday afternoon at St. Peter's church hall was one of the largest and most successful ever sponsored by the Altar and Rosary society of the church. Mrs. Robert Gross, Mrs. Jerome Vogler, and Mrs. Glenn Pierce were in charge of the affair.

Mrs. Don Voightlander and children of Milwaukee, Mr. and Mrs. William Powell of Waukegan, George Graham of Winthrop Harbor and Pat Gilligan of Gurnee.

Rainbow Girls Meet Scheduled Monday

Antioch Assembly, Order of Rainbow for girls, will meet at 7:30 p. m. Monday, August 24, in the Masonic temple with Barbara Yates presiding at her last meeting for this term.

Mrs. Wilma Gibbs, mother advisor of the local assembly, announced that there will be an election of officers for Nancy Scott's term. After the business session the girls will go to church for an installation practice.

The Antioch assembly attended the official visit of the grand worthy advisor at Bensenville Monday evening.

It also has been invited to attend Friend's Night in Chicago on Friday, Aug. 21, and Libertyville's reception on Anne Porney, grand hope, Sunday afternoon.

Mr. and Mrs. C. W. Wikoff and children of Urbana were guests at the home of Mrs. Wikoff's parents, Mr. and Mrs. Joseph Rhymer last week.

Board Members Have Breakfast With President

Mrs. Wm. E. Brook, president of the Antioch Woman's club, entertained 17 board members at breakfast Monday morning, August 17. At the board meeting which followed, programs for the following year and plans for getting the Year Book ready for press were discussed.

Members of the club volunteered to do clerical work in connection with the Lake County TB mobile X-ray unit coming to Antioch August 27 from 1 to 6 in the afternoon.

Some 14 members have made reservations for the Lake county federation summer meeting at McHenry Country club, August 20.

Following the luncheon, Hein's of Waukegan will present a style show, Mrs. Brooks will model, representing the Antioch club.

A final report of the swimming pool benefit, sponsored by the Woman's club, was made. Gross receipts of the party amounted to \$526.

After pictures were taken (Mrs. Brook and Mrs. Morris Pickus, co-chairman, giving check to Joseph Patrovsky, Jr., and Irving Carey of the Antioch Lions) the meeting was adjourned.

Kubas Celebrate Anniversaries

Mr. and Mrs. Ludvik Kuba of the Lake Marie area celebrated their 40th wedding anniversary recently with a party for their family, friends and neighbors at the Rustic Manor in Gurnee.

Their son George, wife Lory and sons Graig, Gary and Scott; daughter and son-in-law, Joyce and Dick Richards and daughter Jodi, Miss Richards, Mr. and Mrs. George Schoenstadt of Lake Villa and Mr. and Mrs. Peter Zalatoris of Lake Marie were present in addition to the honored guests.

Mr. and Mrs. Kuba now are permanent residents of the Lake Marie area.

Mr. and Mrs. George Kuba celebrated their 15th wedding anniversary at the same time. They reside at Lake Zurich.

Class of 1939 Reunion Enjoyed by 63 People

By Mrs. Jean Homan

The graduating class of 1939 from Antioch Township high school held its first reunion, marking off 20 years, Saturday night at the McHenry country club.

Of the 63 persons in attendance, 35 were members of the class, and the school secretary represented the faculty of '39.

There was much fun in trying to see who could name the other classmates first. Some of them had not seemed to change at all, while others were quite difficult to recognize.

Of the 66 members of the graduating class of 1939, there were five who have since died (two boys killed in World War II), and two of the fifteen teachers are gone.

So of the 61 members, the 35 in attendance represented a better than 50 per cent turnout.

Charles Rothers of Arlington Heights, who was president of the class, could not attend due to television commitments, (that game in Kansas City). So Jim Maplethorpe, our newest Antioch policeman, served once more as vice-president and took on the master-of-ceremonies duties.

After greeting the folks and making a few comments, Jim called on Jean (Brett) Homan to report on the classmates and teachers who have died in those intervening years since they all said good-bye in June, 1939.

It was then determined that Clarence Minto, now Mrs. Donald Pharo of

Camp Douglas, Wis., walked away with two honors, as she and her husband had traveled the farthest (200 miles) and they also had the most children, (four boys and two girls) ranging in age from 16½ to 3 years.

The couple with the oldest child was Jean and Russ Homan, both graduates of the class of '39, whose son was 19 on May 22.

But they didn't nose out Florence Verkest Hanke and Otto by far, for their boy was 19 on May 24. Furthermore, Florence and Otto are the only ones having a daughter-in-law.

Janice Kapple-Rothers and Charles, another graduate couple, have the youngest child, who is just six weeks old, and we were all glad that the new mother could attend, but sorry to miss seeing our class president.

The two other graduate couples from this class were there, Mildred Horan-Effinger and Jack of Antioch, and Veneta Philippi Brogan and John of Waukegan.

The committee, including Lorraine Laursen Blackman, Mildred Effinger, Jean Homan, Ruth Turnock Liddle, Frances Belmer Schoeten and Elinor White Chapman, worked for several months on arrangements for this get-together.

They feel they did not waste their time or efforts, for everyone commented that it was a very nice party and all seemed to have a good time.

They located all but three of their classmates, and most everyone that could not attend sent a letter of explanation. The teachers, all but a few, replied also, and most were on vacation.

The next reunion was agreed upon in five years.

Lindenhurst Board Selects Officers

Reorganization of the Lindenhurst village planning commission with the election of officers highlighted a meeting of the group Tuesday evening at the village hall.

Paul Wright was elected chairman and Mrs. Carol Henderson, secretary. The other three members are Art Kimball, Donald Wisner and Theodore Flanagan.

Wisner has been named to the village's sewer and water committee, Flanagan to the streets and alleys committee and Kimball to the grounds committee.

The planning commission made a recommendation on a tentative plat for a new unit to be a subdivision of the village.

Next meeting of the planners is scheduled for September 8.

Antioch Packing Co. Buys Top Animals At Kenosha Co. Fair

The grand champion and reserve champion of the Kenosha county fair held at Wilmet last week were purchased by the Antioch Packing Co.

The grand champion owned by 13-year-old George Schlager of the Paris Happyworkers 4-H club was bought for 51 cents a pound live weight or for a total of \$443.70 on the 870 pound animal.

This steer known as "Gorgeous George" was purchased by the Antioch firm for the Norm-Owens restaurant at Kenosha.

The reserve champion owned by Jack Schaefer, also of the Paris Happyworkers 4-H club, was bought by the local company. The price and weight were not disclosed. It will be used locally.

Antioch Packing Co. also purchased the Lake county fair grand champion, which weighed 1105 pounds and cost 70 cents a pound live weight.

Cuts from this beef will be ready for both stores this weekend.

Tell Ways To Get More Gas Mileage On Your Next Car

Your car can be made to yield more miles per gallon of gasoline, according to the editors of Changing Times magazine. On an annual basis, the difference in gasoline cost between the highest and the lowest mileages recorded in this year's Mobilgas Economy Run, for example, would be around \$80.

The first step, the editors say, lies in the choice of an economical car. That means selecting the lightest car that is spacious enough for transportation needs; an engine of modest displacement; the lowest rear-axle ratio available; the most economical transmission.

Once a car with built-in economy features has been selected, the keys to gasoline savings are maintenance and driving habits. Briefly, the editors set up these rules:

1. **ENGINE TUNE-UP.** Tune it every 5,000 to 10,000 miles. Carburetor and timing adjustment is important. Change spark plugs when needed.

2. **BRAKE ADJUSTMENT.** Check periodically to see that wheels turn freely with no binding or dragging.

3. **WHEEL ALIGNMENT.** Watch front tires for signs of faulty alignment.

4. **TIRE PRESSURES.** Keep tires inflated at least to recommended pressures! Three or four pounds above will save a little gas.

5. **ACCELERATE MODERATELY.** Avoid abrupt starts, most gas is consumed in getting the car moving from a standstill.

6. **SHIFT UP TO TOP GEAR AS SOON AS POSSIBLE.** Top gear is the economy gear; stay in it as much as possible.

7. **KEEP A CONSTANT SPEED.** Anticipate slowing traffic and stops; when the brakes are used, gas is wasted.

8. **IDLE SPARINGLY.** An idling engine wastes about a penny's worth of gas every four minutes.

DEATH NOTICES

AUGUST GENARD

August (Gust) Genard, 79, North Shore of Fox Lake, died Wednesday morning at Victory Memorial hospital, Waukegan, from a heart attack suffered the previous evening.

He was born March 14, 1880, in Antwerp, Belgium. Coming to America in 1909, he settled in Chicago. He moved to Antioch in 1931 and for the past 19 years had spent his winters in Florida.

He retired 19 years ago from janitor work in an apartment house in Chicago.

He married Louise Boegaertes on June 20, 1903.

Besides the widow, he is survived by a son, Charles, of Jupiter, Fla.; a sister, Charlotte Regnier in Belgium; two grandchildren and six great-grandchildren.

Services were held at Strang's Funeral Home in Antioch Saturday morning.

RAYMOND S. WINSHIP

Raymond S. Winship husband of Bertha Winship, died August 1 at Culver City, Calif., after a long illness. Masonic services were conducted by Moneta lodge No. 405, A. F. & A. M.

Burial was at Ingleside, Calif., on Tuesday, Aug. 4.

The Winships were former residents of Antioch before moving to Orange, Calif., where they lived for four years. They moved to Culver City during the past year.

JOHN C. BREW

John C. Brew, 72, died at his home in Warriner's Subd. Friday, Aug. 14. Born July 25, 1887, on the Isle of Man, he was a retired greenskeeper at a country club and a veteran of World War I.

Services were held Tuesday, Aug. 18, at Galva, Ill., with burial in Memorial Gardens, Kewanee.

Nominations.....

(continued from page 1)

est in the hospital organization.

Delegates representing these organizations and the directors can vote changes in procedure and the like but this action still is subject to approval at the annual meeting of the hospital association.

Earlier this month the long awaited word came from the internal revenue service certifying approval of the Countryside hospital as a non-profit institution.

It will be known as the "family doctor's hospital." According to the constitution at least 50 per cent of the active staff must be general practitioners.

Powerful Influence

Affiliated groups hold a powerful

Court of Honor Set For Channel Lake

By Pearl Kapell

Everyone in the Channel Lake community is invited to attend a court of honor to be held by the Boy Scouts of Troop 86 on Saturday, August 29.

It will be held at Little Orchard farm on Route 173, west of Channel Lake.

Scoutmaster Ray Atwood urged all who can to attend, to give the boys the recognition they deserve for their work.

The Boy Scouts and several of the committeemen will be dressed as Indians and will do Indian dances around the camp fire. The ceremonies and Indian dances will begin about 8 p. m.

The Scouts will camp out over night and will spend the afternoon in fixing up the campsite and building the campfire.

Anyone who would like to view the campsite is invited to attend at any time after 6 p. m.

Mr. and Mrs. Donald Fett and sons left Antioch Tuesday for their new home at Burlington, Iowa. Mr. Fett was a teacher at Antioch high school this past year and has taken a position as social science teacher at the junior college at Burlington for the coming term.

Walter Shepard, of St. Louis, Mo., spent the weekend with his parents, Mr. and Mrs. H. E. Shepard, Hardin St.

Mrs. W. W. Warriner of Peoria is the guest of Mrs. B. R. Burke and other friends in Antioch this week.

Mr. and Mrs. A. L. Dittman and family returned home recently after a ten day vacation in Colorado.

influence in the operation of the hospital, yet neither the delegates to the board nor the board can make changes permanent.

With recognition as a non-profit organization, the hospital may be in line for Hill-Burton funds, but this has not been established definitely.

This fund is appropriated to make available to non-profit organizations funds to help meet the ever increasing nationwide need for new hospitalization and health centers.

A certificate from the treasury department is evidence that the organization is non-profit.

The Countryside hospital will be built on 15 acres of land donated by Mr. and Mrs. John T. Rule of rural Grayslake. The site is located at Grub Hill Road and Grand Ave. in Lake Villa Township.

100 Bed Hospital

A 100 bed or larger hospital is planned but ground will not be broken until at least the first 25 beds can be provided and that is expected to cost around \$500,000.

"We are planning an expansion area with more than one story," Dr. Midgley said recently, "and we will build just as much of our dreams as available funds will allow."

It has been suggested that clubs and other organizations might adopt the hospital as a project with the

idea of contributing funds, raising money and the like.

"It certainly would help us to reach our goal sooner and of course this contribution would be a tax exemption for the club," George Heuer, president of the Countryside hospital organization said.

SPIDERS.....

When Mark Twain was editing a newspaper in Mississippi, he received a letter from a reader who complained that he had found a spider in his paper. He wanted to know what it meant.

Twain replied, . . .

"Dear Subscriber: finding a spider in your paper was neither good luck nor bad luck. The spider was merely looking to see what merchant did not advertise, so he could go to the store, spin his web over the door and live a life of undisturbed peace."

PUBLIC NOTICE
Notice of Proposed Change in Gas Schedule
NORTHERN ILLINOIS GAS COMPANY hereby gives notice to the public that it has filed with the Illinois Commerce Commission, on August 14, 1959, a proposed revision of its Rider 6, Adjustment for Cost of Purchased Gas. This rider prescribes the method used to compute the Company's purchased gas adjustment, and proposes that such computations include charges paid by the Company (under Governmental regulation) for new or additional gas supplies purchased on a firm supply basis.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed change in the schedule may be inspected by any interested party at any business office of this Company.

Rabies Still Pose a Problem Although Controls in Force

Fewer Illinois dogs have rabies today than ever before, thanks to an effective vaccination program. But a University of Illinois veterinarian says that rabies still present a potential hazard.

Dr. T. R. B. Barr points out that progress in controlling rabies has resulted from a 1952 Illinois law making vaccination compulsory.

Largely because of this measure, the number of rabies cases positively identified in Illinois dogs has dropped sharply.

In fact, the number dropped from 250-300 annually before 1953 to only 9 in 1958.

Few Vaccinated

Rabies is still a potential problem, however.

Fewer than half the estimated Illinois dog population of more than 600,000 were vaccinated in 1958.

In addition, wild animals appear to serve as a rabies reservoir. Unvaccinated dogs and rabid wild animals would be the combination that could make rabies a serious problem again.

Rabies is a problem in still another way. If given a chance to develop, this disease is 100 per cent fatal in people and animals.

But, to contract rabies, a person or animal must be bitten by a rabid animal, as rabies is spread by saliva entering the body through a break in the skin.

Because domestic animals, especially dogs, come into daily contact with people, Dr. Barr has the following advice for dog owners:

1. Have your dog vaccinated each year as required by state law, and keep it from straying.
Don't Handle Animals

2. Advise local authorities when

you notice any dog or wild animal (including bats) acting strangely. Don't handle such animals, and be sure children stay away from them.

3. Wash the wound of any person bitten by any animal. Use plenty of soap and water. Take the person to a doctor immediately.

4. Have someone experienced in handling suspect animals catch the animal and take it to a veterinarian for examination.

With improved control of rabies in dogs, attention focuses on rabies in wild animals. More rabid wild animals than rabid dogs have been found during the past two years.

Dr. Barr is conducting investigations of rabid wild animals in Illinois. In this work he is cooperating with Dr. C. O. Mohr of the Illinois National History Survey.

These two men are seeking to determine which wild animals are most important as rabies reservoirs.

Use Top Quality Sweet Corn When Freezing

Freezing, when properly done, is a highly satisfactory method of preserving sweet corn.

Corn retains more of its original flavor, value, texture and nutritive value when frozen than when preserved in any other way.

The first step in freezing is to select only high-quality corn. Freezing does not improve corn and may even magnify its undesirable characteristics.

To avoid overmaturity or starchy corn, or corn that is not yet mature.

After picking, remove the husks and silks. Wash the ears in clean, cold water. Discard any ears that are injured, bruised or otherwise not up to standard.

All corn should be blanched before freezing so that it will retain its original quality and flavor.

Place 8 medium-sized ears into 5 quarts of boiling water for about 8 minutes. Then cool the ears immediately by plunging them into cold water.

Make sure the cobs as well as the corn cool sufficiently.

If you wish to remove the corn from the cob, do so after it is blanched.

After cooling, drain thoroughly and pack. Make sure the containers are moisture-vapor proof.

Store the corn at 0 degrees F. or lower.

No Additions To Precincts

Antioch township is not likely to add any new voting precincts this year as one was added in 1958 to bring the total to six with an average of about 700 voters in each.

Township supervisor Lloyd Murrie said this week that there are about 4,500 registered voters in the township.

The Lake county board of supervisors has approved four new precincts in four of the county's 18 townships this year and it was reported other precincts would be added.

Two of those approved recently were in Grant township and also in Elia, West Deerfield and Waukegan townships.

Purpose of the additional voting districts in Antioch and elsewhere is to reduce and equalize the number of votes cast in each precinct.

At many points on Nov. 4, 1958 during the state and county elections, election judges in Lake county worked through the night to complete the vote count and at day-break some were still not done.

Grant High Classes to Start Soon

Sessions at Grant Community high school will open on Tuesday, September 1, with at least three new teachers among those greeting students on opening day.

David Schmid, administrator of the school, announced a workshop lasting all day for teachers on August 31 will precede the opening of school sessions for students.

About 650 students are expected to enroll this fall as compared to 630 last year.

Student classes will start at 9 a.m. September 1 with the freshman class. Classes for sophomores will open at 1:30 p.m. the same day.

Juniors and seniors will start September 2 with the junior class at 9 a.m. and the senior that afternoon at 1:30.

Bus will pick up and return the students on these two days following their registration.

New teachers hired include:

Mrs. Ruth Armstrong, a graduate of Wisconsin Teachers college, who will be the new librarian; John G. Anderson, a graduate of Northern Illinois university, who will teach mathematics; Maxon Thompson, also a graduate of Northern Illinois, who will teach social studies.

A second mathematics teacher is still to be selected.

Social Security Booklets Sought By County Folk

Lake and McHenry county residents are busily satisfying a "hidden hunger" for information on what social security means to them, according to the district manager of the Social Security Administration.

In the past three months the district office at Waukegan has received and honored a great many requests for pamphlets explaining how social security affects individuals and families in specific situations—employees, the self-employed, farm workers, and farm operators, household workers and their employers, and others.

The complete list of booklets available contains 17 different titles, many of them geared to the special informational needs of specific groups, such as the clergy, farm people, the disabled, women, and state and local government workers.

Adding that social security information, printed or oral, is provided without charge, it was pointed to the ease with which it may be obtained.

TB X-Ray Unit To Visit City

Free chest x-rays will be given in Antioch on Thursday, August 27, with the Lake County Tuberculosis association's mobile x-ray unit stationed on Main street between 1 and 6 p.m.

Anyone over 18 years of age will be able to receive an x-ray.

Mrs. William Brook of Antioch is in charge of obtaining volunteer registrars for the event.

She reminded Antioch people that the sale of Christmas Seals helps pay for much of this free x-ray equipment appearances.

A chest x-ray can discover tuberculosis, heart disease, cancer and other tumors.

Films of each person are developed and interpreted by experts and an individual report is sent to each person.

Trevor Girl Hurt In Highway Crash

Miss Diane Bush of Trevor, Wis., suffered a head cut, shock and bruises last Thursday evening when her car and a tractor-pulled wagon collided on country trunk HM near Z.

She was treated by her physician, Arnold Crow, a Richmond, Ill., farmer, was pulling a chopper and the wagon across the highway with a tractor when the vehicles crashed.

Area People Sign Teacher Contracts

Three Lake county residents who have graduated from Illinois State Normal university at Urbana have secured new teaching positions this year, the university said this week.

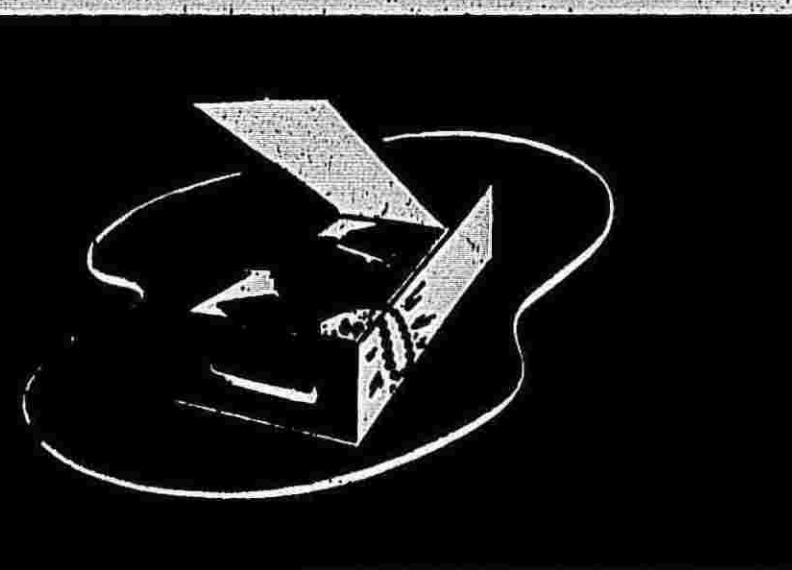

Among the June and August graduates of ISNU who have signed teaching contracts since June 1, together with the communities in

which they will teach, were those from Lake county:

Inglewood — Richard Wisner of route 2, teaching business education and physical education in high school at Downs.

Libertyville — Barbara Nickoley, teaching deaf and hard of hearing at Chicago Heights.

Round Lake — Patricia Callendo, teaching physical education in high school at West Chicago.

Two Chevy middleweights prove their rawhide stamina!

Top hands on high-country hauls!

Ask any trucker who's been over Wolf Creek Pass, 10,850 feet up in the San Juans: a 9-mile pull to the summit and low gear all the way down. Mr. C. H. Phillips of Alamosa, Colorado, has a 6403 and a 6503 Chevrolet truck that are up over this route the year round, taking sheep and beef to pasture, later marketing the stock in Denver. In less than a year, his Chevy middleweights have averaged about 50,000 miles of

this kind of treatment—and they're going stronger than ever! Watch Chevy trucks at work out in range country. It's a sight to see the way they pack into high-up mountain pastures and handle through brush and rock like a cowman's favorite cutting horse. Take any truck work for that matter. Chevy middleweights probably handle a bigger variety of jobs than any trucks alive. About anything you name, includ-

ing work that used to be reserved strictly for bigger rigs. When a truck's built the way a Chevy is, lean-muscled and rawhide-tough, it takes to ugly trails the same way most trucks roll over the highway. It just keeps going, without a big to-do, but looking good every mile of the way. How they do it is your Chevrolet dealer's department. He'll be glad to supply details and specifications on the type of models you need.

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer

Channel Lake Tree Thinks Spring Here

By Pearl Kapell

Spring is here! Don't you believe it? Either we're confused, or William Chase's magnolia tree is. It has a beautiful white bloom, seven inches long, and numerous buds.

Mrs. Chase says magnolia trees normally bloom only early in the spring, before the foliage appears. Evidently Mother Nature forgot to acquaint this particular tree with the rules of the game.

Think of the disastrous results that could ensue if trees had Unions!

This poor little tree, probably innocently inspired by the recent heavy rains, wanting only to do a good job and beautify the world, could be called a "scab," surrounded by picket lines, forced to demand time-and-a-half pay for overtime (possibly insisting that Bill feed it extra fertilizer) or perhaps, on the "so-many-hours a year" principle, it would be forbidden to bloom next spring.

Or all the trees around it might go on a "wildcat" strike, and shed leaves all over Bill's lawn.

Maybe it's just as well there are not any "tongues in trees." It could be awfully disillusioning to hear an oak squabble with a magnolia.

Mrs. Paul Chase was one of 12 past presidents of the American Legion auxiliary who were honored at a gathering held at St. Ignace hall in Antioch on August 14.

Each past president was presented with a manicure set in a leather carrying case. A pot-luck supper was served.

Mrs. Chase was rather shaken when she was told she was the oldest past president present, until she was assured they were figuring, not her age, but the years she had served.

A careless remark like that can give a woman a nasty shock. Mrs. Thomas Chase also attended.

The Ladies' Pinochle club met at the home of Mrs. Clarence Spiering on August 13. The ladies meet every two weeks, luncheon is served and members play cards.

Those attending besides the hostess were Mrs. Frank Hennig, Mrs. Julia Schmitt, Mrs. Harry Weiss, Mrs. Rose Hess, Mrs. Albert Sima and Mrs. William Frey.

Mrs. Gile Edwards is recuperating from recent surgery at the home of her daughter, Mrs. Dorothy Karezewski, at Loon Lake. Mrs. Edwards says she received many expressions of good-will from residents of this area and wants to thank all of them.

Because of the incident in which a boy was bitten by a rabid skunk in the Antioch area last week, Wilbur Turner has suggested that we remind people of their obligation in regard to their dogs.

Wilbur is Lake county animal warden, and he says many dogs in this area are running loose.

Any dog that has not had a rabies shot must be confined in a solid pen—your yard or a leash is not sufficient if your dog has not had an anti-rabies shot.

Owners not complying with this law are subject to a fine. Under any circumstances, you are, of course, liable for any medical ex-

penses that may follow if your dog should bite anyone.

Because any dog running loose is in danger of being bitten by some small animal—a squirrel, a chipmunk—any of the animals a dog may come in contact with—it would be wise to confine your dogs, and certainly all of them, for your protection as well as the dog's and the general public, should have a rabies shot.

The Channel Lake Community Club is holding an outdoor party and dance on Saturday night, August 22. The public is invited.

Refreshments will be available—Barbecued hamburgers, hot dogs, cake, coffee and pop. Hank Kubicki's Rhythm-Kings will furnish music from 8 p.m. - 12.

The Channel Lake Community club held its regular meeting Aug. 11.

A committee consisting of Lorraine Lemke, Margaret Runyard, Mrs. William Chase and Betty Hammeau, was appointed to help Pat Harland, chairman of the hot lunch program.

Reports were given by the leaders of the several scout groups on the activities in their various groups. The possibility of building a club house for the general use of the community was again discussed.

It was decided that a second cook would be selected, from several applications for the job which had been received by Pat Harland at a meeting of the hot lunch committee and the executive board of the Community Club on August 17.

Mrs. Dorothy Olson was selected as second cook at this meeting.

The skating party held at Twin Lakes August 10 was a great success. About 120 people attended, and all had fun.

The Cub Scout picnic slated for August 16, was cancelled because of rain. Unless weather prevents, it will be held next Sunday.

The Girl Scouts and Brownies are planning a trip to Riverview Park on August 27. This is an inter-troop activity, and the girls will be accompanied by Lois Ward and Ruth Trussell.

Mr. and Mrs. Ted Hucker, Timmy and Tommy, and George McNulty returned from their trip to Arkansas August 15. They traveled to several points of interest and did some successful trout-fishing.

Mr. and Mrs. Edward Dockry of Woodbine Ave. left on August 10 for a three weeks vacation in the East. They will go first to Cumberland, R. I., to visit their son Edward and his family. Mrs. Clarence Irmen, daughter of the Dockrys, said she received a phone call from her parents saying that they had a wonderful trip out, and had already visited the North Atlantic tuna fish contest. They also hope to go to Cape Cod and Boston.

Mrs. Walter E. Christiansen, River Forest, and Mrs. Joseph Jones, San Bernardino, Calif., who both have summer homes at Channel Lake, returned recently from an extended trip to Alaska. Mrs. Christiansen spent several days last week at the home of her sister, Mrs. William Frey of Woodbine Park.

Mr. and Mrs. Carl Abt of Detroit spent last week at the home of Mrs. Peter Kesler of Woodbine Park subdivision.

The William Freys of Woodbine park and the Harry Sandbergs of Felter's subdivision went on a two-day trip to New Salem, last week. They all said they had a most enjoyable and interesting time. They visited the Lincoln village in Lin-

coln's New Salem state park. The buildings there are all replicas of the ones that were in use in about 1831, when Lincoln lived and worked there.

Mrs. Elmer Eberman is planning a "re-union" party for August 22 to which she has invited about 15 of her fellow alumni from Bauer & Black. Lucile worked there before she was married. Strictly a hen-party and gab-fest, she says.

Mr. and Mrs. Loren Sexauer, Lake Catherine, are having a busy summer. They celebrated their 38th anniversary on July 30. For the past two and one-half weeks they have been visited by their son and his family. Mr. and Mrs. Loren Sexauer, Jr., of Meadville, Pa., and their children, Roberta, Patricia, Susie, Paul and Larry. Loren, Jr., and his family left August 10 to return to their home.

Mrs. William Hurley of Chicago is spending this week with the senior Sexauers.

Mrs. Roy Lokke of Felter's subdivision was honored at a birthday party on August 12. About 24 guests attended the affair—a garden party held at Mrs. Lokke's home. The ladies have a birthday club and each member is feted on her respective birthday. Refreshments were served.

Mrs. Edward Hamelberg of Felter's subdivision underwent surgery in St. Theresa's hospital August 14. Archie Lokke, Lake Catherine, home from a recent trip to the hospital, returns to the hospital on August 21 for further treatment.

Our sympathies to the Harold Gregersen, of Felter's subdivision, who have suffered two recent deaths in their family. Mrs. Gregersen's mother, Mrs. Lucy Lorang of Chicago, died unexpectedly on July 31. Mr. Gregersen's father, Clarence

Gregersen of Florida succumbed on August 13.

Mrs. Lorang had recently returned from a trip to Guatemala, and was believed to be in good health. She lived alone and her death was discovered when she failed to arrive at her daughter's home, where she was expected for dinner. She had suffered a fatal heart attack.

Mr. Gregersen has suffered from a heart condition for some years, and his son took a plane to Florida when his father's death seemed imminent. He arrived in time to speak to his father before his death. Harold Gregersen returned home on August 16.

Richard Jones of Griffith, Ind., a former Channel Lake and Antioch resident, visited in Antioch last week.

Edward Kogut, a former resident of Channel Lake and brother of Cella D'Ambrose, former proprietress of the B-Z-B tavern, died suddenly in Chicago last week.

George Schultz, Woodcrest subdivision, won a new Nash Rambler about a month ago. He was a winner in a contest sponsored by the Union at the American Motors plant in Kenosha, where George is employed. Mrs. Schultz says George was so amazed at his good fortune he thought at first someone was "ribbing" him, and he wasn't convinced until he was formally notified.

Barbara Alshouse of Grass Lake was honored at a personal shower given by Carol McGlynn at the Donald Bjork home on August 16. Miss Alshouse is being married to Ralph Briggs of Round Lake on August 22.

The shower was attended by Sherry Davis, Sharon Dittman, Jan and Sue Duha, Lynn Kapell, Gail

Fraser and Cella Hojem.

Barbara received many gifts, re-

freshments were served and the girls had a pleasant afternoon.

(Advertisement) (Advertisement) Westclox' Biggest Big Ben

THE WORLD'S LARGEST indoor clock is shown under construction shortly before entering service in New York City's vast Grand Central Terminal. Here workmen are adjusting parts of its huge dial, working from a towering scaffold. The mammoth timepiece's face is 15 feet across, each numeral 15 inches high. America's own Big Ben was presented by Westclox, of La Salle, Ill., and was designed as an exact replica of the household Big Ben clock made by Westclox—only 38 times larger!

It wasn't too hot for Mom to bake a pie tonight!

Of course not!
She has a new electric range—

MR: What's her new electric range got to do with it?
MRS: Plenty! Her kitchen never gets hot—even when she does a lot of baking.

MRS: Her kitchen doesn't get grimy, either! Just look at ours—this museum piece I'm stuck with has already ruined the decorating we did this spring.
MR: But...

MRS: So, if you think I'm going to spend the rest of my life in the hot stove league... scouring pots and pans all the time... well, you've got another thing coming.
MR: (Astute silence)

MR: Dear... if you really need a new electric range that badly, I think we can swing it.
MRS: Good night, dear!

wife Keep your kitchen 10 degrees cooler with a new Electric Range

Electric ovens are fully insulated on all 6 sides (not just 5). This means heat and cooking vapors stay in the oven instead of heating up your kitchen. And, electric surface units put heat directly into pots, not up and around the sides. P.S. The average family can cook electrically for about 2½¢ a meal!

GREETINGS WERE EXTENDED to an Antioch Sales executive, Homer W. Fox, regional sales manager, Syracuse Ornamental Co., by a brother-in-law, Lt. Cdr. Evans P. King, center, skipper of the USS Torsk submarine, as Fox boarded the submarine at the Navy pier, Chicago, for a dive in Lake Michigan. Also receiving greetings is Don P. Hoffmann, right, Milwaukee contractor and classmate of Cdr. King at the U. S. Naval Academy, Annapolis. The unusual reunion occurred during anti-submarine warfare exercises—the first to be held in Lake Michigan. (Official U. S. Navy Photo)

Antioch Man Enjoys 'Trip' On Board U. S. Submarine

(Special to Antioch News)

It was "Clear the bridge—prepare to dive" for an Antioch business man recently as he boarded a submarine captained by his brother-in-law for an underwater excursion in Lake Michigan.

Eating strawberry shortcake and ice cream in a submarine 110 feet below the surface of Lake Michigan might be considered only a minor boast of the sub trip by Homer W. Fox, regional sales manager, Syracuse Ornamental Co., Antioch.

The Antioch sales manager was a guest aboard the submarine, USS Torsk, captained by his brother-in-law, Lt. Cdr. Evans P. E. King, native son of the union's newest state, Hawaii.

Cdr. King is the son of the late Samuel Wilder King, governor of Hawaii from 1953 to 1957 whose 30-year fight succeeded this year in getting Hawaii admitted to the union as the 50th state.

The submarine captain and the Antioch sales executive were interviewed 110 feet below Lake Michigan while the sub was being chased by a destroyer escort during anti-submarine warfare exercises—a part of Operation "Inland Seas" ending last week.

The appearance of the USS Torsk (SS 423) captained by King and 27 other fighting men-of-war on the lakes marked the first time the U. S. navy has been able to enter the Lakes since the War of 1812.

The reception by Midwesterners was described by the captain as "tremendous" as 30,000 persons visited the sub while it was anchored at Milwaukee and different ports on the lake.

Lt. Cdr. King was born in Hawaii and graduated from the U. S. Naval Academy, Annapolis, in 1944.

He took part in the sinking of Japanese submarines at the climax of World War II and served aboard four other submarines before taking command of the Torsk in 1957.

Captain King and the Antioch business man married sisters at San Diego, Calif. They had not seen each other for a long time.

Making the reunion even more complete was the visit aboard of a Milwaukee contractor, Don P. Hoffmann, a former roommate of King's.

Trevor People Enjoy Travels

By Mrs. Grace Miller
Trevor Correspondent

Mrs. Elvira May of Madison, Wis., spent Wednesday and Thursday with her parents, Mr. and Mrs. Charles Otting.

Jim Sheen and Charlie Prange returned from a week's trip to the west Monday. They went as far west as Yellowstone Park and stopped at the Black Hills and other interesting spots.

Mrs. Neil Runyard, Mrs. Grace Measures and Wilson Runyard have returned from a trip through northern Wisconsin and over the new Mackinac bridge into Michigan.

Mrs. Grace Miller spent the past week with the Franklin Swanson family in Madison, Wis.

The Wilnot fair was well attended in spite of the inclement weather. Mrs. Bertha Otting was awarded the first prize for an afghan she knitted in a green wool yarn.

Mrs. Minnie Sheen spent Friday at the Willis Sheen home.

Mrs. Annie Smith who recently went to Kenosha to live, was visiting in Trevor on Wednesday.

when they both attended the U. S. Naval Academy.

As the trio held reunion 110 feet below Lake Michigan, the occasional thud of a hand grenade against the side of the ship, thrown out by the destroyer escort to test its accuracy, reminded the trio of friends that the sub chase was still on.

Fox remarked of the many safety devices that make submarine service less hazardous in modern sea-going ships.

The sub carried 3,000 pounds of air pressure at all times that makes possible emergency surfacing at any time even in case of power failure.

2 Local People Hurt

Mrs. Darlene M. Mason, 23, of Antioch and her son suffered head cuts and bumps in a two car collision last Friday morning at highway 45 and the Wilnot road in Wisconsin. Both were treated by their family doctor.

Antioch, Zion Cows Are Cited

The Ravenslen farm at Antioch and the Alfred H. Ames place at Zion were cited this week by the Holstein-Friesian Association of America for outstanding official production records by registered Holstein cows.

For the Antioch farm, Ravenslen Olene Triune 384735 produced 18,238 pounds of milk and 626 pounds of butterfat in 365 days on twice daily milking as a four year old.

Rosaf Shamrock Kit 4658933 produced 20,943 pounds of milk and 813 pounds of butterfat in 365 days on twice daily milking as an eight year old.

Over at Zion, Amestead Bustress Ormsby Dandy 4124112 of the Ames farm produced 15,279 pounds of milk and 541 pounds of butterfat in 365 days on twice daily milking as a four year old.

The University of Illinois working in cooperation with the national Holstein organization, supervised the weighing and testing of production as part of the herd improvement registry program.

Grade School Teachers Are Listed

Teachers for the two buildings of Antioch grade school district 34, including the building in Antioch and the Oakland building, were announced this week by superintendent Richard Whitacre.

School sessions will open Tuesday, September 8.

Teachers by buildings will be: Antioch—Alice Brown, kindergarten; Mary Durr and Ruth Baethke, first grade; Judith Panknin and Lucille Whitacre, second grade; Wilma Wilson and Wanda Barthel, third grade; Ruth Liddle and Fanny Yates, fourth grade.

Others will be John Kapter and Belinda Dittman, fifth grade; Sue Wolfmberger and Herbert Rose, sixth grade; Edna Becker and Robert Price, seventh grade; Loretta Hart and Lorin Volk, eighth grade; Marcia Palmer and Virginia Dotson, secretaries.

Oakland—Marilyn Kapter, kindergarten; Esther Wilton, first grade; Shirley Edwards, second grade; Phyllis Paulson, third grade; Joyce Baber, fourth grade.

Others will be Harlan Ware, fifth grade; Jill Erickson, sixth grade; Walter Soderman, seventh grade; Clifton Houghton Jr., eighth grade and principal; Marie Greslik, secretary.

Serving both buildings will be superintendent Whitacre, Margaret Aschenbrenner, music; George Olsar, band; Mary Bruski, physical education; John Jessup, speech correction; Wanda Barthel, remedial reading.

SATURDAY WORST DAY FOR TRAFFIC ACCIDENTS

Traffic accidents took an average of more than 100 lives a day in 1958, according to the National Safety Council.

Most deadly day, the Council said in its recently published statistical yearbook, "Accident Facts," was Saturday.

Sunday was next most dangerous motorists.

The Old Timer

"America has more experts on marriage than any other country—and more divorces."

Farm Census Set For November 11

Lake county will be among 31 counties in northern Illinois which will be under the direction of Merle W. Willis of Wheeling, Ill., named recently as field assistant for the 1959 census of agriculture.

Census takers will start their duties

November 11. They will collect information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities, selected farm expenditures, farm values, and mortgage debt.

Three hundred twenty-five census takers and 23 crew leaders will be employed in northern Illinois.

Antioch Bowl Leads Keno Softball Loop

By Paul Ferris

A wet field cancelled out Monday night's game at Huff field this week. Tuesday night, however, saw Antioch Bowl with the hitting power of Lonnie Christensen smack his 8th homer plus a double and triple to hand Bussie's a 13 to 6 whipping.

The win gives the Bowlers a 3 to 0 record for the second round and tags them as the team to down.

Don Sandre, Gus Knapheim, Bob Becvar and Norm Hink contributed two hits each for the evening with DaMato on the hill getting the win. Jimmie Fields whose control was way off in allowing six runners first base via the walk also was stopped at the plate for the first time this season, going 0 for three.

Maynard Schneider with a home run and John Benes tagging a double, was the loser's best in the eight hits allowed by DaMato.

In the nightcap Erickson's Builders crushed a nine man Saddle Inn team 18 to 6 to remain in the race. Bishop registered his 10th win as Jack Bellucci pounded out his third homer of the season and Bob Jungkans went 3 for 5 in the rout.

For the losing Saddle Inn club playing without Marshall, Neidermayer, Parpan and Fidanow, eleven errors were made in suffering their third loss of the round.

Dragoon, Scharton and Pyles each had two hits in four tries.

Saddle Inn Wins

Monday night of last week's action saw Ferris Scharton, manager of

Saddle Inn throw a five-hitter at a tumbling Fox Lake squad while his team mates pounded out 18 hits in a 20 to 3 rout over the Hillsmen.

R. Lyons, the league's leading hitter, supporting a .639 average lifted it to a .641 when he tagged Scharton with 2 singles in 3 trips to the plate.

The faltering squad from the hills committed 9 costly errors in dropping their fourth game in a row.

Saddle Inn came up with their best game of the campaign and broke into the win column; Scharton had 3 for 5, Parpan came out of his batting slump with 2 for 3, Grossi hit for a 2 and 3 bagger and Chris Marshall kissed another round tripper.

The return of Norm Pischke at short center, Ray Temi's play at first base and in the infield combination of Marshall, Dragoon and Neidermayer has the look of a team to watch from here on in.

Jim's Service Romps
Chuck Larsen with three singles, a double and a triple, in five tries was one of the reasons why Bussie's couldn't play the part of upsets again, as they fell to Jim's Service 25 to 14.

This being the servicemen's first game in the second round gave all indications that they mean business in going out for the title.

Jim Scully dropped 22 points in his chase for Lyons in getting 2 hits in 5 trips for a .561 average. Orv Brodie and Dick Sreh got themselves 3 for 5 with Dick and Jim Brodie hitting homers.

Ron Jackson making his debut for the servicemen at shortstop looked very impressive on the field and at the plate with 2 hits in 4 at bats.

Nine errors on the part of Bussie's added to the lopsided score because in the hit department the tavernmen fell only 3 short of the 24 made by the winners. Willie Kirschke had a perfect night with 4 for 4 while Dodge Cahill and Dick Harland enjoyed a 3 for 4 evening.

Chiefs Win by 17-7
In last Tuesday's games, the Chiefs came roaring back with a 17 to 7 whipping over Saddle Inn. (I'm all thru for the season) Dick Carlucci with his chest all taped up due to rib injuries was on the hill for the victors and gained his seventh win of the season.

Wiener Swanson fighting for the battling crown blasted out a single, double and his first home run in 4 trips to the plate to bring his .552 average up to .571.

Big Bob Odds cracked his fifth homer plus a single and a double in 4 at bats along with scoring 4 runs. Gene Barth collected 3 hits and Sid Parker and Roy Ballwanz each hit 3 baggers.

Jack Lawrence once more played his masterful game out in left field and had himself 2 hits.

Leading 3 to 1 in the third inning, Saddle Inn winners the night before had had one of those nightmare innings against them as they watched ten Indians plus the Chief Carlucci come across the plate.

Chris Marshall with 3 for 4, was high for the losing Inn while Pischke, Dragoon, Scharton and Oberg had 2 hits each.

Golfview Defeated
In the nightcap Bussie's beat the Badgers 16 to 9. Maynard Schneider with 4 for 4, Dick Harland and Jimmie Fields with 3 for 4 led the 17 hit attack on Eddie Lindstrom.

Nine errors by the Badgers hurt in receiving their first defeat of the second round.

Frankie Heiselmann's 3 hits including his fifth home run of the year, Phil Vos hitting his third along with a double and Howie Lausen's round tripper were the best the losers could do in the 11 hits produced.

The play of the game, however, went to Jack Palmer, the Badger infielder in the 7th inning when he robbed Al Kumpfer of a sure hit and threw to Bud Brown at first to double off John Benes.

Two Thrillers Seen

Last Wednesday night turned out to be the thrillers of the 1959 season. In the first contest Antioch Bowl gained a 10 to 9 win over the Thom-Eric squad in an extra inning affair.

With the score knotted at 7 all at the end of six innings, George Pahlke lined a single to left to start the Builders' seventh. Bob Jungkans then doubled to center, scoring Pahlke with the tie-breaking run.

The Bowl then came to bat for their last chance and received gift number 1, a base on balls to Knapheim, Grenell and Christensen getting on base via the error tied the score at 8 all.

In the eighth the Builders once again took the lead by a run. Frank Huss sent a drive marked sure hit towards right only to be denied by Billy Grenell who threw him out on a sensational play.

Jack Bellucci then singled to cen-

STRING OF FISH and their catcher is shown here. Holding the fish is Frank Gove who pulled in this mess in 3 1/2 hours. He was enjoying a vacation with his grandparents, Mr. and Mrs. Ed Reynolds of Deep Lake.

Lady Bowlers Meet Friday

A meeting of the Thursday Afternoon lady bowlers will be held at the Antioch Bowl at noon Friday, August 21.

Anyone wishing to join and cannot attend this meeting is asked to call league secretary Jeanette Westhoff at Antioch 1328 or the Antioch Bowl at Antioch 1155.

Featuring the session Friday will be the famous bowler and teacher Kay Freitag of Chicago Ladies Classic. She will assist all ladies in any bowling problems they may have.

ter and moments later scored on Phil Burgdorf's play.

Error Costs Game

Bob Becvar grounded out to start the Bowlers' eighth. Wally Ring got first base on an infield error gift number two. Norm Hink then took a third strike which should have been the ball game.

Sandre lined a single, his third hit of the game to center bringing to bat Ronnie Peters who in his last 2 games had been hitting like a demon.

Burgdorf's first pitch was the one Ronnie wanted as he blasted it to left center out of the reach of Bellucci and Dick Pahlke for the winning hit.

A heart breaker it was for Phil Burgdorf the Builder hurler, who in the fourth inning replaced Iorio on the hill and had allowed only one hit in facing 16 batters.

Wally Ring had himself a 3 for 4 evening and for the losers Geo. Pahlke with 3 hits was his best.

In the second game Lake Villa came through like the veterans they are with a 7 run seventh inning to tie Bussie's at 12 all and send the game into extra innings.

Jimmie Fields and his gang were so flabbergasted in losing a 12 to 5 lead that in the eighth inning they went 3 up and 3 down.

The veterans, however, didn't stop. Jack Mahoney started off with a hit and raced to third on Butch Brownlee's double. Ring was then given an intentional pass filling the bases and sending up Mr. Veteran himself, Bernie Schneider, who obliged with his third straight hit of the game and the winning run.

Final score Lake Villa 13, Bussie's 12. Harland, Palenske and Jim Nihills, with 3 hits apiece were the tavernmen's best. Brownlee and B. Schneider's three hits including Bernie's number five homer led the VFW attack.

Badgers Revised

With the return of manager Skeets Oetting at first base, Golfview handed the Hillsmen of Fox Lake their fifth consecutive Lake Keno Softball league loss in a row behind the eight hit pitching of Eddie "Babe" Lindstrom last Thursday evening.

Oetting in 4 trips to the plate doubled, hit a home run and reached base the other two times via the error.

The hitting star of the game was none other than Deputy Lindstrom who for the first time in history of this league belted a single, double and a triple in four at bats.

Should this ever happen again to Eddie I believe the "Lake-Keno Hall of Fame" will call for him. The Hillsmen who are in the cellar and don't in any way look like the team that started in this league committed ten errors and produced only 8 singles.

R. Lyons, the league's leading hitter dropped 22 points in getting one for three but is still batting a neat .619.

Leading the pack with a .434 batting mark after the first round of play, Fox Lake in its last 3 games has fallen to a .389 clip. John Fry-

Northwest Loop Gridiron Year Opens on Sept. 26

Football practice for schools in the Northwest Suburban league will open August 31 in preparation for the round of non-conference games Sept. 18-19 and the league openers on Sept. 26.

Antioch high gridiron potentials will receive their equipment Friday, August 28, as will many of the candidates of other schools.

The Sequoit squad finished in a tie for the cellar with the Wauconda high eleven last year.

The following is the complete Northwest Suburban league slate:

Sept. 26
Antioch at Lake Forest
Grant at Wauconda
Warren at Ela-Vernon
Round Lake at Grayslake
Oct. 2
Antioch at Warren (night)
Oct. 3
Ela-Vernon at Lake Forest
Wauconda at Round Lake
Grayslake at Grant (night)

Oct. 10

Grayslake at Antioch (night)
Nov. 6
Grant at Warren (night)
Nov. 7
Lake Forest at Round Lake
Ela-Vernon at Grayslake
Wauconda at Antioch

12 Grid Veterans Report For Practice at Central

"An extreme shortage of senior veterans" and a "team loaded with question marks" will mark the 1959 football squad at Central high school at Salem, Wis., reports from that school said this week.

The Falcons lost 11 men from graduation this past June and the 1959 outlook is about the same as it was in 1958.

Practice started this week Monday, with 12 veterans reporting to coaches Roger Terry, head mentor; Dorm Grams, varsity assistant, and Emroy Hayes, B squad coach.

Assisting Hayes are William Becker and Allen Keake.

Central high, which won five and lost four in 1958, will open this season against St. Mary's at Burlington at 8 p. m. on September 5.

Veterans back for the 1959 season include Capt. Fred Leutz, a 165-pound quarterback; Dave Erickson, 190-pound tackle; Gene Schulz, 145-pound halfback; Frank Rhodes, 160-pound tackle.

OTHERS ARE LISTED

Also Frank Schauer, 165-pound end; Len Krawczyk, 190-pound end; Verne Nau, 195-pound tackle; Larry Weidman, 195-pound tackle; Andy Agure, 140-pound quarterback; Gary Clausen, 175-pound tackle; Russ Eanson, 170-pound guard; Jim Eckhart, 190-pound tackle.

Eight of these are seniors and four are juniors.

It would appear from this list that the Falcons are not short on tackles with six of them mentioned. Lost by graduation were Capt. Wayne Remus, tackle; Co-Capt. Jim Long, halfback; Ric Thomas and Bill Bohn, halfbacks; Bob Carver,

Cleo Varvil and Jerry Rasmussen, ends.

Also Dave Williams, center; Cliff Miles and Gary Doerflinger, tackles; Gene Wierzgac, guard.

"Stress (this season) must be laid on improvement of the defensive alignment," the coaching staff said this week.

"A team loaded with question marks with success dependent on development of sophomores and juniors."

Looking to the Southeastern conference possibilities, Waterford and Union Grove are expected to fight it out for the championship with the help obtained from the now defunct Racine County Aggies.

LOOKING FOR UPSET

All the other squads will be looking to upset the co-favorites.

Pawaukee, Big Foot and Central will be cast in the role of "spoilers" with Clinton rebuilding under a new coach.

Salem Central high school has an enrollment of about 520 boys and girls.

Superintendent is Allen H. Erickson, principal is Vernon G. Horne and athletic director is Dorm Grams.

Football varsity manager this season are Mark Krehn and Ken Parker. Cheerleading director is Ruth Leeflink. School colors are maroon and bright silver.

The 1959 football schedule is being printed elsewhere on the sports pages of the Antioch News this week.

Top Woman Kegler Will Appear Here

Kay Freitag, a member of the famous Allgaurs bowling team which is Illinois state and national women's champions, will give instruction in bowling at the Antioch Bowl August 20 and 21.

Ladies and men will be welcome to attend both days from 1 to 3 p. m. Instruction will be free.

Kay Freitag has been a winner in many national and local kegler tournaments. She has an average of 189 in the Chicago Classic league.

More Thrills Expected at Wilmot Sat.

Jim Smith of Patenjim auto racing said this week he regrets that he could not put on the auto racing show Saturday evening at the Kenosha county speedway in Wilmot.

"It seems that the drivers were confused and brought modified stock cars instead of boats and motors which would have been more appropriate," he observed.

Weather permitting, however, Smith said he would put on the biggest show of the season Saturday, August 22. Everything he promised for last Saturday will be presented this week.

A 35-lap midseason championship feature race, presentation of a trophy and if possible the county fair queen and her court will be on hand.

Of course the cry "Beat Milt" will be louder than ever after a week's layoff.

Smith said he also heard that the duel between Wilmot and Spring Grove is to be held at the speedway with 10 cars participating. The feud, he heard, is hotter than ever.

"Don't forget to watch that young squirt from Round Lake driving no. 24," Smith urged. "He has possibilities and girls, Dick Ranahan is single and 23 years of age."

Mourning Dove Hunt Season Opens Sept. 1

The mourning dove may be hunted in Illinois for 65 consecutive days during 1959, according to the state department of conservation.

The dove season will run from September 1 through November 4 and shooting hours throughout the season will be between noon and sunset (central standard time).

Daily bag limit has been set at 10 and possession limit after the first day of the season is 20.

Pig Catching Contest Set

A greased pig catching contest with 20 or so men taking part will be a highlight of a special night at Huff field, just across the Wisconsin line on route 83 north of Antioch August 29.

Players from nine teams in the Lake-Keno Softball league will play each other starting at 7:30 p. m. Those who will take part will be picked by the managers this week.

After completion of this contest will come the pig scramble. Ten from each team will compete against each other trying to catch the animal. The winning group will get to keep the pig.

The Lake-Keno league all-stars under the leadership of "Casey Stengel" Erickson will take on the all-stars of McHenry in the final event of the evening.

The field is located 3 miles north of Antioch. No admission is charged.

Central High Grid Slate

Central high school of Salem, Wis., schedule for the 1959 football season was announced this week as follows:
